

## All Systems Annual Oversize Permit Update Request

The All Systems Annual Oversize Permit is an annual permit that allows for unlimited trips on all State, US and Interstate routes as well as approved city/county roads for loads which are categorized under the following maximum dimensions:

### Maximum Dimensions for Legal Loads:

- Length: 120'
- Width: 16'
- Height: 15' 5"
- Gross Weight: 80,000 pounds
- Axle Weight: 20,000 pounds per axle

At certain dimensions within the allowed limits there are requirements to contact Motor Carrier Services (MCS) for route approval on all State, US and Interstate routes:

- 120' long x 12' 5" wide x 13' 10" high - unlimited distance - no routing required
- 120' long x 14' 6" wide x 15' 5" high - movement restricted to 50 mile radius unless the route continues on at least 4-lane roads or trip routes are obtained from Motor Carrier Services
- 120' long x 16' wide x 15' 5" high - trip routes must be obtained
- 75' long x 12' 5" wide x 14' 6" high - maximum dimensions for hauling hay

Carriers are required to check with local officials when traveling on county roads or city streets for bridge embargo, detour, road embargo and vertical clearance information.

To view your county's current restrictions, please view the map at the following website:

<https://iowadot.gov/mvd/motorcarriers/motorcarriers/systemmap>

### Action Required:

Please return the following form for your county along with your annual secondary road update.

If you would like for your county to be listed as "All Restricted" or "No Restrictions" please check the appropriate box on the following page and sign and return the form to Josh Schmidt ([Joshua.Schmidt@iowadot.us](mailto:Joshua.Schmidt@iowadot.us)) in the Research & Analytics Bureau.

If you would like to list where any restrictions are located within your county, please make these notations on a separate PDF map of your county located with the Secondary Engineer Reports at <https://iowadot.gov/analytics/analytics-home> and provide a corresponding list detailing these locations; such as: "59<sup>th</sup> Street between ECL of Vinton and 25<sup>th</sup> Avenue". This will help us to both assist the public and place the restrictions in a spatially correct location within the database.

Any questions or concerns regarding the All Systems Annual Oversize Permit or legal load dimensions may be directed to the Motor Carrier Services Bureau at 515-237-3268.
