#### Brief Description and Firms Sent RFP

The Iowa Aviation System Plan (2010-2030) was last updated in 2010. Significant Federal and state investment has been made in both the commercial and general aviation airports since the plan was completed. This update will follow FAA A/C 150/ 5070-7 and will include: a review of the vision, mission, and goals; a review of airport roles assigned to each airport; update to airport data; an evaluation of benchmarks; an evaluation of the impact of the non-primary entitlement program; and an update to individual airport reports.

County: All

Route: All

Locations: Statewide

Services Requested: The Iowa Department of Transportation's Office of Aviation is interested in entering into a professional services contract with an aviation consulting firm to update the Iowa Aviation System Plan. The selected consultant will perform services to update the 2010 Iowa Aviation System Plan. If your firm is interested in providing the described services, please submit a statement of qualifications outlining your ability and availability to complete this work.

Submission Deadline: 3:00 PM CST -- 1/25/2019

Contact Person: Jacqui DiGiacinto

Contract Duration: 18 months
