

Appendix 1: Freight-generating facilities

Appendix 1 includes an inventory of lowa freight-generating facilities. These lists are not exhaustive. Some facilities listed may no longer be operational and new facilities may not be represented. Descriptions of freight-generating facility types are included in Chapter 2, System inventory and performance (Section 2.3, Inventory and performance by mode). Intermodal facilities, transload facilities, barge terminals, distribution centers, public/contract warehouses, ethanol plants, and biodiesel plants are listed. Due to the large number of facilities and locations throughout the state, grain elevators are not listed.

Table A.1: Intermodal and transload facilities

City	Facility	Intermodal	Transload	Cross-dock	Team track	Warehouse	Truck/ Rail	Truck/ Barge	Rail/ Barge
Altoona	Merchants Distribution Service

Appendix 2: Plan revisions

Freight Investment Plan amendment - December 2022

- Added Linking Iowa's Freight Transportation System (LIFTS) program project (awarded December 2022) to Table 5.6: LIFTS projects awarded on page 124 and Table 5.7: Iowa Freight Investment Plan, 2022-2026 on page 125
 - Iowa Southern Railway
 - Total project cost: \$661,869 (\$330,935 NHFP, \$330,934 match)
 - Project description: replacement and anchoring of up to 5,000 new cross ties, 10,000 new rail anchors, and 20,000 new track spikes between Centerville and Moravia.

Performance measures – January 2023

- Added measures, pages 118-119
 - · Number of freight-related aviation fatalities
 - State investments in IMFN airports
 - · Percent of IMFN airports with excess cargo-handling capacity
 - State investments in IMFN highways
 - Change in public truck parking spaces
 - · Improvements made at highway bottleneck locations
 - State investments in pipelines
 - State investments in IMFN railroads
 - Improvements made at rail chokepoints
 - State investments in IMFN inland waterways
 - Improvements made at inland waterway bottlenecks

Removed measures, pages 118-119

- Commercial airport runway PCI
- Accessibility to commercial airports in lowa or surrounding states

- Number of freight carriers at each commercial airport
- · Regularity of pipeline and infrastructure inspection
- Average train length and/or number of trains per day
- · Maintenance and rehabilitation spending at Mississippi River locks
- · Number of barges on the waterway system

Freight network designations, truck parking information, and Freight Investment Plan amendment – September 2024

- Added the following Critical Rural and Critical Urban Freight Corridor designations to Figure 2.5 National Multimodal Freight Network on page 25 and Table 2.6: Critical Rural and Critical Urban Freight Corridors in Iowa on page 27:
 - CRFC U.S. 218 from Poweshiek St to the Missouri border
 - CUFC Blvd of Champions from S Patton St to Harbor Dr in Sioux City
 - CUFC Harbor Dr from S Patton St to Discovery Blvd in Sioux City
 - CUFC Discovery Blvd from Harbor Dr to Aviation Blvd in Sioux City
 - CUFC Nebraska Ave/River Rd from I-29 to Cargill Ag Horizons in Council Bluffs
 - CUFC Iowa 165 (Abbott) Dr in Carter Lake
 - CUFC U.S. 65 from I-80 to Grant St South in Des Moines
 - CUFC Edgewood Rd SW from U.S. 30 to Wright Bros Blvd SW in Cedar Rapids
- Updated truck parking text to better reflect the full scope of recommendations in the Iowa Rest Area Management Plan, page 106
- Removed three LIFTS program projects from Table 5.6: LIFTS projects awarded on page 124 and Table 5.7: Iowa Freight Investment Plan,
 2022-2026 on page 125
- Updated and added the following projects in Table 5.7: Iowa Freight Investment Plan, 2022-2026 on page 125:
 - Updated NHPP, NHFP, match, and total project costs for freight projects on I-80 in Johnson and Cedar Counties
 - Added new freight project on I-80 in Polk County for 2025-2026
 - Removed three flexible funding projects (LIFTS program)
 - Removed "Future LIFTS project" set aside for future years
 - Updated totals for 2022-2026
