

On behalf of the more than 3 million lowa friends and neighbors, it is our pleasure to welcome you to our great state. At the crossroads of the nation, lowa's transportation system is unlike any other — bordered by two navigable rivers, traversed by 10 interstate highways, uplifted by eight commercial service and 101 general aviation airports, supported by 18 freight railroads and two Amtrak routes, and moved by 35 transit agencies that serve all 99 counties.

Whether out of necessity or through innovation, transportation in lowa has undergone many transformations since statehood in 1846. Much of that history has been preserved and is available for visitors to witness and experience on our trails, along our scenic byways, in our museums, and on steamboat and passenger train excursions.

This is a special year for transportation in Iowa — the 100th Anniversary of the Iowa Department of Transportation. From its roots at the Iowa State College of Agriculture and Mechanic Arts in Ames, to an independent agency as the Iowa State Highway Commission, to the Iowa Department of Transportation today, lowans have dedicated their careers to providing its residents and visitors with a reliable, safe and efficient transportation

We encourage you to visit lowa to experience its rich history and modern transportation systems, and invite you to make lowa your home.
