Iowa Real Time Network – RINEX FTP File Retrieval Procedures

RINEX files are stored in SBC for 90 days. These files can be downloaded from the Prost Processing > RINEX Data.

Older RINEX Files can be downloaded from the RTN ftp site. Open Windows Explorer and enter the following ftp address in the address bar. The username and password for access to this folder are shown below.

Address: ftp://165.206.203.34

Right click in an open space within the folder to log in as.
Username : iowaRTNcors
Password : Wuirta85

RINEX 2 files are stored in 2019, 2020 and RINEX 3 data in RINEX 3. The year folder is separated by day of the year. Use NGS to determine the desired day of year. The zipped RINEX files are stored by site ID for each hour for the day (UTC).
